- **Main Labels / CoO Labels:** Both the inner and outer garment must have a company main label. Both pieces must also have a size/country of origin label sewn into it.

- **2 Piece UPC Tag:** The inner garment (tank top, camisole, etc.) is to be ticketed with a “dummy” tag. This tag is the same as a regular UPC tag, except it has the letter “A” before the UPC code. This tag does not have any retails or sales information on it.
- **2 Piece Set Hang Tag:** All 2 piece sets must use a “2 Piece Set” tag on the outer garment. This is to be ticketed into the sleeve of the outer garment.
