

Dillard's GBS Label

Main Label / COO Label

Dillard's GBS neck label gets sewn into the neck to the wearer's left of the zipper. Special COO / size label gets sewn onto the main label at the center. (See below for detailed photo.)

Care Label

Care label must be sewn into the wearer's left side of the dress, 6" above the hem into the side seam. English, Spanish, and French are required on all care labels.

NOTE: RN # 58909 must be printed on the care label.

Hang Tag

GBS hang tag must be ticketed through the wearer's left hanger tape near the armhole of the dress using a regular 3" swift tag. (See below for detailed photo.)

Price Ticket / RFID

Price ticket is to be placed through the same swift tag as the hang tag. UPC information must face outward. Price ticket must have retail. (See below for detailed photo.)

UPC Polybag Sticker

UPC stickers must be placed on polybags, roughly 5" below the top edge, and roughly 3" away from the edge of the polybag's left side.

Hanger / Size Clips

484-Black hangers. No size clips required.
