

SKIRTS

- **6012 Skirt Hanger:** All skirts use a # 6012 black skirt hanger. Foam is **NOT** permitted.
- **60" Poly Bag:** All skirts require a 60" poly bag as opposed to the 76" size we use on longer garments.
- **Main Label & COO Label:** Main label gets sewn in the center back of the waist line on the skirt. The country of origin/ size label gets sewn into the center of the main label.
- **Price Ticket & Company Hang Tag:** Price ticket & company hang tag are to be ticketed through the main label. They must also be draped to the outside of the skirt, visible through the poly bag from the BACK of the skirt.
- **Care Label:** Care label is to be sewn into the left side seam of the skirt, 3" above the hem.
